Dear Mr. Karthik,

Sub: **Program on First Aid Skills conducted for ERT**

We are extremely thankful to you and ALERT for organising and conducting the Program on **FIRST AID SKILLS** to our **Emergency Rescue Team** at our premises on 06/06/09. It was really a learning Program and useful. All participants felt that each and every one of our employees should undergo this training for the benefit of the society and their family members.

The feedback from ERT volunteers was very encouraging and there was unanimous opinion that the duration of Program was not adequate.

After knowing details from ERT, some employees have taken your mobile no and Mr. Rajesh's to know more about ALERT, it's vision, goal and activities.

My sincere thanks to you and Mr. Rajesh Trivedi for conducting such a useful PROGRAM, which will be helpful to our employees in improving their overall personality.

I am personally very much interested to repeat this PROGRAM for other employees too, in batches. Whenever you have time to spare, kindly inform us.

We will utilise such opportunities to educate all of them.

Regards,

for **INDUS TEQSITE PVT LTD,**
